

SYDNEY TRAINS

During early morning, NightRide buses replace main rail routes.

NM1 SYDNEY CITY CIRCLE

Oc13

SG. Electric Multiple Units. Double track. In addition, another set of double track lines run Central-Town Hall-Wynyard, then to the North Shore (see Table NM2). In addition, another set of double track lines run at a deeper level Central-Town Hall, then to Eastern Suburbs (see Table NM13). Most of the City Circle is underground. Circular Quay station is on a viaduct providing views of Sydney Harbour and its ferries.

The City Circle trains are an integral part of the Sydney suburban network.
